I Need Your Support For My Eagle Scout Service Project!!

Dear Business Owner or Manager,

I have received approval by the Mecklenburg County Boy Scout Council and the Charlotte-Mecklenburg School System to construction four (4) wooden benches and landscaping along the bus loading area on the campus of David W. Butler High School in Matthews, NC. The benches I plan to construct are a component of a school-wide beautification project initiated by the Parent Teacher Student Organization. (PTSO).

In an effort to reduce the cost of the project, I am seeking your support through logistical or financial donations. The cost of the project has been estimated at \$500 for materials and other equipment. Your donation in the form of discounts on materials, equipment, or monetary support will be used solely for the purpose of supporting the operations for constructing the benches.

The project consists of constructing three (3) 6' wooden benches, (1) 8' wooden bench and (8) small shrubs placed on the ends of the benches with grass seed and pine needles placed around the area. I am projecting to begin constructing the benches within 30 days using adult and fellow scouts from my troop. The project will conclude no later than October 1st, 2010.

Your donation is greatly appreciated! The David W. Butler PTSO has provided me with their tax identification number for your records to indicate your donation to this charitable/non-profit organization. The Tax Identification Number is: EIN **94-346-7592**

Thank you again for your generous donation

Sincerely,

Matthew S. Smith
